

FORESTADENT®
GERMAN PRECISION IN ORTHODONTICS

BELLA ITALIA

BENVENUTI A ROMA

Dear Doctor,

our FORESTADENT Symposium is now a well-established tradition. We thought long and hard about a suitable location for our eleventh annual event. We were looking for a location known for its history and traditions, and decided on a city offering almost 3000 years of art history, architecture and culture. Rome – the eternal city.

We have found beautiful venues and an excellent conference centre, which we know will make the eleventh FORESTADENT Symposium a unique event. You can look forward to two days of exchanging experiences with colleagues, and to experts who are ready to share their knowledge.

So make sure you note the dates of the eleventh FORESTADENT Symposium in your diary: 30 September – 2 October 2021. We're looking forward to seeing you!

Yours sincerely
Stefan Foerster

ROME ~ THE ETERNAL CITY

According to legend, Rome was founded by the twins Romulus and Remus in 753 BC and was first the capital of the Roman Republic and then that of a world empire. Today, the eternal city offers 3000 years of history, ranging from the Colosseum and the Trevi Fountain to the Roman Forum and the Musei Vaticani – one of the largest museums in the world.

Rome is still very much the centre of the Roman Catholic Church – the Pope's residence being in the world's smallest city state, the Vatican.

PREMIUM VENUE AND FIRST-CLASS SPEAKERS

The eleventh FORESTADENT Symposium will take place from 1–2 October 2021 at the Auditorium della Tecnica conference centre in Rome, Italy.

The conference centre is located in the heart of the EUR district (Esposizione Universale di Roma) which is easily reached from the city centre as well as from the airport.

This conference centre brings together historic architectural elements and innovative design to ensure that every event is unique and unforgettable.

FIRST-CLASS SPEAKERS AWAIT

Look forward to prominent experts in their fields, who are set to inspire with compelling topics and outstanding professional engagement.
The congress language is English. All lectures will be translated into several languages.

MCLAUGHLIN BENNETT 5.0 DAY

ON 30 SEPTEMBER 2021

The McLaughlin Bennett 5.0 Day will also take place at the Auditorium della Tecnica conference centre in Rome, Italy, on 30 September 2021. The presentations will be given in English and translated simultaneously into several languages.

Developed by Dr. Richard McLaughlin and Dr. John Bennett, MB 5.0 is the latest version of one of the most frequently used treatment systems across the world. From diagnosis to debonding, the treatment concept MB 5.0 covers all treatment steps using a clinical and practice-oriented approach. The successful treatment methods and mechanics developed by Dr. McLaughlin and Dr. Bennett are documented in their written text books and in well-known publications worldwide. In Rome an international panel of speakers will demonstrate the latest thinking and the further development of the MB 5.0 concept in the context of an increasingly digital world.

Dr. John Bennett

Dr. Lars Christensen

Dr. Daniele Cantarella

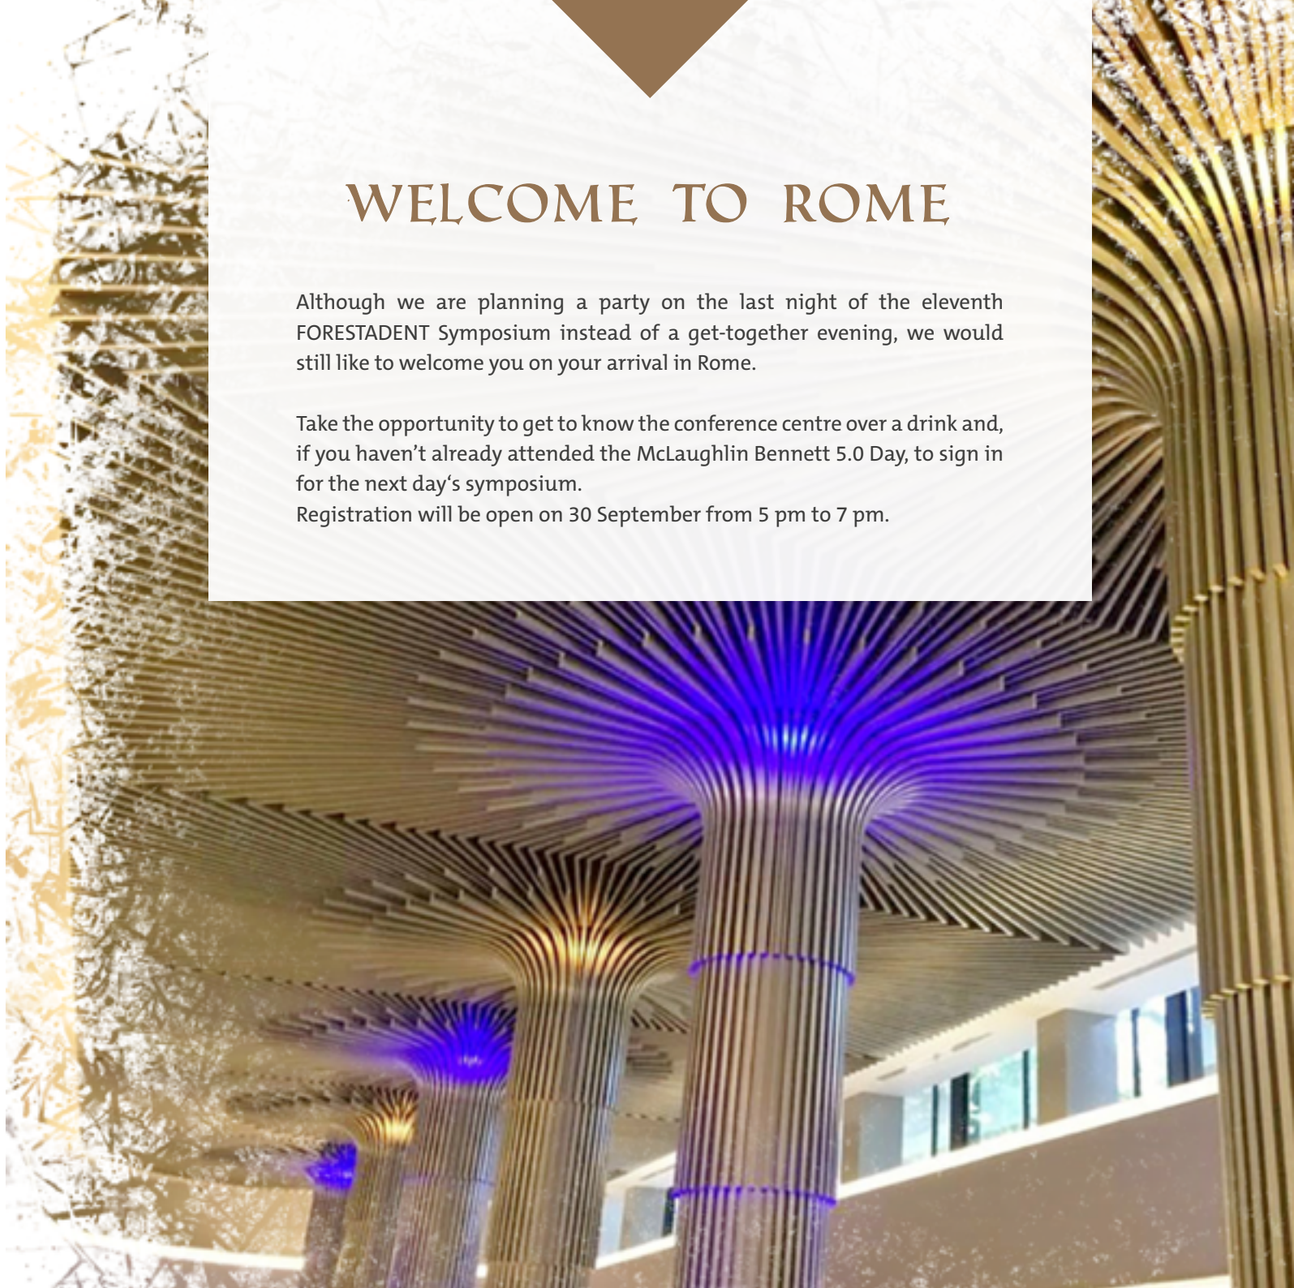

Dr. Roberta Lione

WELCOME TO ROME

Although we are planning a party on the last night of the eleventh FORESTADENT Symposium instead of a get-together evening, we would still like to welcome you on your arrival in Rome.

Take the opportunity to get to know the conference centre over a drink and, if you haven't already attended the McLaughlin Bennett 5.0 Day, to sign in for the next day's symposium.
Registration will be open on 30 September from 5 pm to 7 pm.

GALA EVENT AT VILLA MIANI

Villa Miani was built in 1837 for Count Miani on the hill of Monte Mario and offers a breathtaking view of Rome and nearby St. Peter‘s Basilica.
This villa offers the perfect combination of history and el-egance in a neo-classical style and is the perfect location for the FORESTADENT gala evening on 1 October 2021.

We guarantee an unforgettable event in a stunning location with Italian culinary specialities as well as magical moments that you will remember for years to come.
The FORESTADENT gala event is of course included for yourself and your registered guest as part of your booked package.

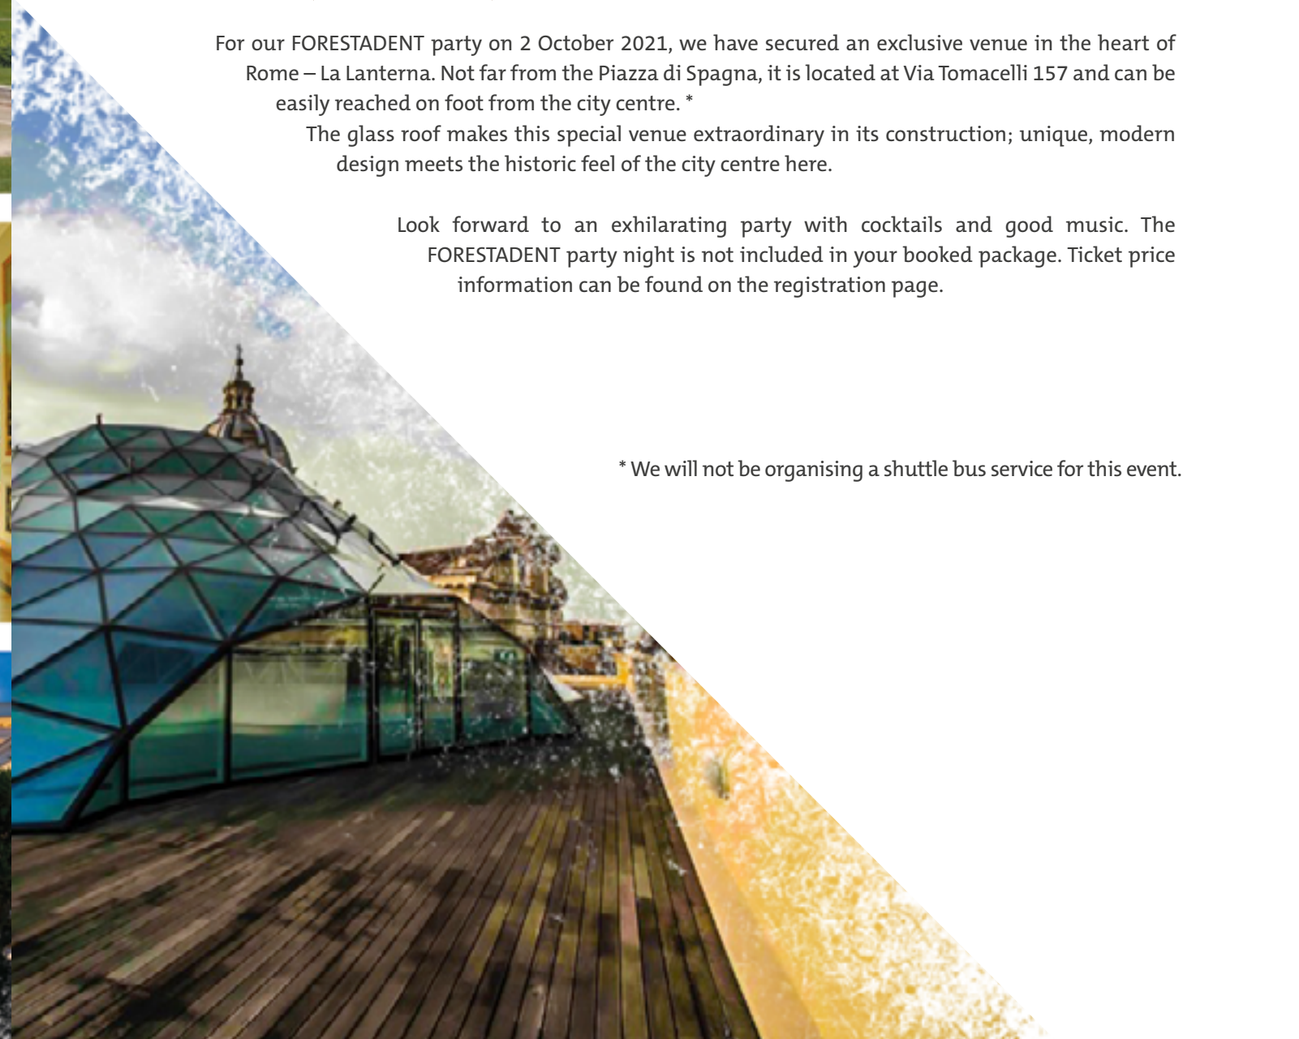

FORESTADENT PARTY NIGHT

For our FORESTADENT party on 2 October 2021, we have secured an exclusive venue in the heart of Rome – La Lanterna. Not far from the Piazza di Spagna, it is located at Via Tomacelli 157 and can be easily reached on foot from the city centre. *
The glass roof makes this special venue extraordinary in its construction; unique, modern design meets the historic feel of the city centre here.

Look forward to an exhilarating party with cocktails and good music. The FORESTADENT party night is not included in your booked package. Ticket price information can be found on the registration page.

* We will not be organising a shuttle bus service for this event.

REGISTRATION FEE COVERAGE

Full-time registration fees for participants include:

- Admission to all scientific sessions
- Admission to the gala event on Friday evening (including shuttle service)
- Lunch and coffee/tea breaks at the conference

Full-time registration fees for accompanying person include:

- Exclusive city tour „Baroque Rome“ or[1] a tour to Cinecitta film studios incl. lunch & shuttle service
- Admission to the gala event on Friday evening (including shuttle service)
